DDI- 2/1/82

8 April 1982

MEMORANDUM FOR: Chairman, National Intelligence Council

FROM : Special Assistant to the Director for
Interdepartmental Affairs

SUBJECT : DCI Interest in the Status of NSSD 1-82

1. This note is just a short reminder of the Director's interest in staying abreast of the evolving NSSD 1-82. He mentioned a couple of times before his departure last week that he wants to have a set of all the paper produced relative to the study upon his return.

2. I realize that pieces of this study continue to dribble in, particularly those in Part III. I suggest that you pull together all of the relevant parts and explain to the Director in a covering memo where each part stands. We will need this, in any case, for the NSC meeting scheduled for 14 or 15 April.

3. The Director is scheduled to be back in the building on the morning of the 14th. I request, therefore, the above material by COB 13 April. I will let you know if there is any change in the Director's schedule.
